Disqualification and Law Violations

Grounds for Disqualification: If a person willfully files a declaration or acceptance of candidacy knowing it contains a false statement, including about residency, or if a court finds that a candidate fails to meet any required qualification for office, then that person's name will not be on the ballot and he or she is disqualified from taking office. If that person's name is on the ballot because the deadline for making ballot changes has passed, then polling places will post signs indicating the candidate is disqualified from taking office. In addition, knowingly and willfully filing a declaration or acceptance of candidacy that contains a false statement is a gross misdemeanor. (NRS 293.1755, 293.177(2)(b), 293.181(3), 293.184).

"Campaign and Expenses Reports" and "Statements of Financial Disclosure"

See the Secretary of State's Website: All candidates for non-federal offices and all non-federal elected officials must file "Campaign Contributions and Expense Reports" (including the Annual Report) and "Statements of Financial Disclosure." However, candidates for offices compensated at less than \$6,000 per year do not need to submit a "Statement of Financial Disclosure" during their candidacy, but if they are elected to office, must submit it during their term (NRS 281.561). These documents must be filed ELECTRONICALLY (NRS 294A.373(3)(b)), with certain limited exceptions (294A.3733), with the Secretary of State at:

<https://nvsos.gov/sos/elections/candidate-information/campaign-finance-reporting-requirements>

Campaign Contributions and Expense Reports: All candidates for statewide, county and local elected office in Nevada are required by law to file Campaign Contributions and Expenses (C&E) Reports electronically with the Secretary of State. C&E Reports are filed four times per election cycle during election years. See the Secretary of State's website for more information.

Financial Disclosure Statements: A Financial Disclosure Statement (FDS) is required to be filed with the Secretary of State by all state and local elected officials and appointed public officers by January 15 of each year they are in office. Failure to file such a form may result in a civil penalty. (NRS 281.581(3)) Judges and judicial candidates are required to file a Judicial FDS with the Administrative Office of the Court (AOC). See the Secretary of State's website for more information.

Acknowledgement of Ethical Standards

Who: All elected officials, once per term of office, must file a "Nevada Acknowledgment of Ethical Standards for Public Officials" (NRS 281A.480 and 281A.500). Per NRS 281A.500(7), if a public officer is serving in a public office and files the Acknowledgment form for that office as required by NRS 281A.500, the public officer shall be deemed to have satisfied the requirements of NRS 281A.500 for any other office held concurrently by him or her.

How to Submit Documentation: Submit completed Acknowledgments by postal mail (preferably certified), personal delivery to the principal office of the Nevada Commission on Ethics in Carson City, third-party commercial carrier, or fax, in accordance with NRS 281A.500(6). Blank forms are available online at: <http://ethics.nv.gov/Forms/Home/>. You may also electronically submit the Acknowledgment online at https://nvethics.pdi.online/cm/dbo_EthicalStandards/add#1.

When: Submit the Acknowledgment by **January 15** of the year following the general election, for each term of office. (NRS 281A.500(4)(a)).

Where to Submit the Acknowledgment: Nevada Commission on Ethics at the address printed on the form or online at https://nvethics.pdi.online/cm/dbo_EthicalStandards/add#1.

Penalties: Willful refusal to execute and file the Acknowledgment constitutes a willful violation of NRS 281A.480, subject to the Commission on Ethics filing a complaint in the appropriate court for the elected official's removal for nonfeasance in office pursuant to NRS 283.440 (NRS 281A.500(10)).

PUBLIC OBSERVATION OF VOTING

What Is a Public Observer

Description: NRS 293.274, 293.305, 293.730, and NAC 293.245 contain provisions for observation of voting at polling places by the public. Anyone may observe voting at a polling place, i.e., no credentials are required. Upon arrival, an observer must ask for the polling place Team Leader. The Team Leader will direct the observer to a designated location within the polling place where the observer must remain at all times. Limited special provisions are made for the media.

Required Form: NAC 293.245 requires observers to sign an acknowledgment before beginning observation. This is confirmation they understand they may: (a) Not talk to voters within the polling place; (b) Not use a mobile telephone or computer within the polling place; (c) Not advocate for or against a candidate, political party, or ballot question (which includes not wearing identifying clothing, buttons, or other paraphernalia); (d) Not argue for or against or challenge any decisions of county, or city election personnel; and (e) Not interfere with the conduct of voting. Observers must also wear a name tag displaying their full name. The County or City Clerk may remove observers from the polling place for violating state laws or regulations.

Procedures and Restrictions

Public Observers May NOT:

- **Disrupt Voting or Election Workers:** No one may disrupt the voting process or the work of polling place staff, e.g., observers must minimize conversation with election workers.
- **Converse with Voters:** Conversation with voters within the polling place is not allowed.
- **Electioneer/Campaign:** No one may electioneer/campaign inside the polling place, i.e., wearing or bringing any campaign item into the voting area is prohibited. Restrictions also apply to the outside of the polling place or voting area. See the previous page for details.
- **Use Electronic Communication Devices:** Observers and voters must turn off two-way radios and cell phones inside the voting area. Note that voters may use their cell phone to view their sample ballot online.
- **Photograph, Videotape or Sound Record Voting:** The general public may not make a visual or audio reproduction of the conduct of voting at a polling place. Cameras, audio recorders, video cameras, etc., must be deposited with the Team Leader. Owners may retrieve their property when they leave the voting area.

Public Observers MAY:

Sit or Stand in the Public Viewing Area: The Team Leader will designate the location and observers may view election activities from this area as long as they do not disrupt the election process.

Media Representatives with Proper Credentials may:

- **Film Willing Persons Inside the Voting Area:** Filming must not violate the secrecy of a voter's ballot (no direct or clear shots of the ballot) and must not disrupt the election process.
- **Interview Willing Persons:** Media representatives may interview willing persons outside of the polling place.

Online Election Day Posting Logs:

Election Day Posting Logs show who voted where and when. Vote Centers have replaced traditional polling places countywide and consequently Posting Logs will exclusively be available online. See page 58 for more information.

- If you help a voter complete an Application and if you also keep the Application to turn-in, you must enter your name on the receipt that the voter retains (NRS 293.505(13)(a)).
- You should strongly encourage applicants to personally return their Applications to the Election Department, either in person or by mail. MAIL / ABSENTEE BALLOTS

General Information About Mail /Absentee Ballots

What Is Mail/Absentee Voting: Mail/absentee ballots accommodate voters who cannot or do not wish to vote in-person during early voting or on Election Day. After the Election Department processes the request, the voter will be mailed voting materials that include a ballot and voting instructions. The Election Department **BEGINS** mailing voting materials as follows: (a) To Nevada addresses, 20 days before Election Day; (b) To out-of-state addresses, not later than 40 days before Election Day; and (c) To military and overseas voters, not later than 45 days before Election Day. (NRS 293.309).

How to Request a Mail/Absentee Ballot: To vote by mail, you must make a written request each calendar year. However, [AB345](#) of the 2019 legislative session revised NRS 293.3165 to now allow anyone for any reason to make a specific request for a mail/absentee ballot for all future elections, thus eliminating the need for an annual request if you choose this option. In that case, you will receive a mail/absentee ballot on a permanent basis as long as you keep your address current with the Election Department. The Election Department must receive WRITTEN mail/absentee ballot requests in its office by 5:00 p.m. on or before the 14th day before Election Day for you to vote by mail in the current election. May 26 is the due date for the June 9, 2020 Primary Election and October 20 is the due date for the November 3, 2020 General Election.

You may use the Election Department's form or provide the required information on a piece of paper. You must sign all requests.

- A printable request form is available by logging-in to "Registered Voter Services" at <https://www.clarkcountynv.gov/election/Pages/VoterServices.aspx> and selecting "Request a Mail/Absentee Ballot" from the dropdown menu.
- Call (702) 455-6552 to have a Mail/Absentee Ballot Request sent to you.
- If you don't have a printer, write the required information on a sheet of paper for the Election Department. Instructions are at <https://www.clarkcountynv.gov/election/Pages/MBLetter.aspx>.

If you cannot sign because of a disability, you may use a signature stamp pursuant to NRS 426.257. No one may request a mail ballot on behalf of another, not even with a "Power of Attorney," per NRS 293.313. You may deliver your request in person, send it by postal mail or e-mail, or fax it. See pages 37-38 for contact information.

What Candidates Need to Know About Mail /Absentee Ballots

Obtaining Mail Ballot/Absentee Request Forms: The Election Department will give you up to 50 Mail Ballot/Absentee Request forms at no charge. If you need more, you must reproduce them yourself, preferably on card or index stock. Please note postal machinery may damage thinner paper and render it unreadable. If that should happen, the requestor will not be sent a mail ballot.

Distributing Mail Ballot/Absentee Request Forms: As part of your campaign, you may distribute Mail Ballot/Absentee Request forms door-to-door, at a table where voters may pick them up, at a rally, or you may include reproductions of the form in a mailing. You may not "collect" completed forms that were mailed to voters and bring them in bulk to the Election Department. If you distribute forms, you may adhere proper postage and ask voters to mail them directly to the Election Department. [AB345](#) (sections 42 and 93) and [SB452](#) of the 2019 Legislative Session made important changes to mail/absentee ballot distribution requirements and candidates should familiarize themselves with these revisions.

What Candidates Need to Know About Mail /Absentee Ballots (Continued)

Distributing Mail Ballot/Absentee Request Forms (Cont.):

If your mailer contains a request form, follow the guidelines below:

- Use the Election Department's form, approved by the Nevada Secretary of State.
- The Election Department must approve any modifications to the request form.
- Your mailer must clearly state that you or your campaign provided the request form and include the following in bold type as the first sentence on the mailer: "This is not an official elections notice from the Secretary of State or your county or city clerk. This is a form to request an absent ballot that you may submit to your county or city clerk if you want to vote by absent ballot. However, even if you want to vote by absent ballot, you do not need to submit this form if you have already requested an absent ballot for this election year or are already entitled to receive an absent ballot for all elections. Forms must be addressed to the Election Department, i.e., they may not be addressed to your campaign headquarters and then mailed or delivered to the Election Department."

If you mail more than 500 Mail Ballot/Absentee Request forms during the period starting 6 months before Election Day, you must provide written notification to the Election Department at least 28 days before your mailing. You may not conduct a mailing of Mail Ballot/Absentee Requests forms after the 35th day before Election Day. To avoid problems, as soon as possible set up an appointment with the Election Department to coordinate your mailing by calling (702) 455-2944. The Election Department will keep all information confidential. At your request, the Election Department will "track" the return of Mail Ballot/Absentee Request forms.

Keep in Mind:

- Any voter for any reason (as discussed in the previous page) may now request a permanent mail/absentee ballot and consequently does not need to make an annual request.
- You may find who has requested a mail ballot and who has returned a voted mail ballot for a current election at: https://www.clarkcountynv.gov/Depts/election/Pages/MB_PublicRequest.aspx.
- See NRS 293.309-340 and 293C.306 for more information, as revised by [AB345](#) (sections 42 and 93) and [SB452](#).

WHAT'S NEW IN NEVADA ELECTIONS

Deadline Changes, per AB345, Effective January 1, 2020

Standard Close of Registration: The standard close of registration for mailing-in your application or registering in-person at the Election Department, as well as for updating existing registration by mail or in-person, has changed to the fourth Tuesday before Election Day. The requirement for extended office hours has been eliminated. The dates in 2020 will be:

- May 12 for the Primary Election on June 9; and
- October 6 for the General Election on November 3.

Online Registration Only, After the Standard Close of Registration: Online registration and updates to existing registration after the standard close of registration (see above) has changed to the fourth Wednesday before Election Day and will extend to the last Thursday of Early Voting. You may only do this on the Nevada Secretary of State's website at <https://www.registertovotenv.gov>. New registrants may not vote by mail/absentee ballot. When new registrants check-in to vote, they will be required to show a current and valid Nevada Driver's License or State Identification Card with their current residential address, as entered in their online registration. If you register online on or after the 20th day before an election, the Election Department is not legally required to send you a sample ballot for the current election. The dates in 2020 for online registration after the standard close of registration will be:

- May 13-June 4 for the Primary Election on June 9 (*no sample ballot after May 20*); and
- October 7-29 for the General Election on November 3 (*no sample ballot after October 14*).

Mail/Absentee Ballot Request Deadline: The deadline to request a mail/absentee ballot, IN WRITING, for the current election has changed to 5:00 p.m. on the 14th day before Election Day. Previously, the deadline was the seventh day before Election Day. If you registered online after the standard close of registration (see above), you may not vote by mail/absentee ballot. The deadlines in 2020 for submitting requests will be:

- May 26 for the Primary Election on June 9; and
- October 20 for the General Election on November 3.

Deadline for the Election Department to Receive Voted Mail/Absentee Ballots: Voted mail/absentee mail ballots must be postmarked on or before Election Day and received by the Election Department on or before the seventh day after Election Day. Previously, the Election Department had to receive voted mail ballots in its office by 7:00 p.m. on Election Day.

Automatic Voter Registration (AVR) at the Department of Motor Vehicles (DMV), per State Question Number 5 of 2018, Effective January 1, 2020

Automatic Registration and Updates at the DMV, with an Opt-Out Option: Eligible persons will be automatically registered to vote when they apply for a new DMV driver's license or State Identification Card, or when they change their address or renew an existing license or ID card. If you are already registered to vote, the system will automatically update your existing Nevada voter registration information. Indicating a political party affiliation is voluntary for new registrants, but if you do not, your party affiliation will default to nonpartisan. You may opt out of registering to vote only by declining in writing. You will receive a form for you to opt out of registering or to indicate a party affiliation if you opt in. You must immediately drop the form in the specified secured container at the DMV. If you do not, then you will be automatically registered to vote and your party affiliation will default to nonpartisan.

This process will also include confirmation that acceptable additional proof of residency was provided by persons who needed to provide such.

Immediate In-Person Updates of Existing Registration at All Early Voting Sites and Election Day Vote Centers, per AB345, Effective January 1, 2020

Immediate In-Person Updating of All Registration Data at All Voting Sites: You may now immediately update your existing registration, including name, party, and address changes, and then vote a ballot for your new precinct and/or party, as applicable. Provisional Ballots Will Contain All Offices and Questions for the Voter's Precinct: All provisional ballots will be full ballots, whether they are for the purposes of same-day registration, Election Day updates, or the Help America Vote Act (HAVA). This means they will contain all offices, candidates, and questions that would be on a regular ballot for the voter's precinct. After an election, the Secretary of State will establish a system, such as a website or toll-free phone number, to inform voters of whether their provisional ballot was counted, and if it was not counted, why.

Permanent Mail/Absentee Ballots, per AB345, Effective January 1, 2020

Any Voter for Any Reason May Request a Permanent Mail/Absentee Ballot: Voters may now make a one-time request to receive a mail/absentee ballot for all future elections. After submitting this request, a voter will no longer need to submit a mail/absentee ballot request on an annual basis, as is now required. This request will remain in effect as long as the voter keeps his or her address current with the Election Department or until his or her voter registration is cancelled.

Persons Released from Prison May Immediately Register and Vote, per AB431, Effective July 1, 2019

If You Are not Currently Incarcerated, Your Right to Register and Vote Is Immediately Restored: Persons with felony convictions in Nevada or in any other state who are currently not in prison are now allowed to immediately register to vote. This also applies to persons whose voter registration had been previously cancelled because of a felony conviction and to persons who are currently on probation or parole. Order

Order of Offices, Names and Questions in Federal/State Elections: Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, City offices are next, township nonpartisan office are then listed, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates," in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

Candidates with the Same Name: If two or more candidates have the same given name and surname, then their order on the ballot will depend on the following: (a) If none of the candidates is an incumbent, the middle names or initials, if any, of the candidates must be included; (b) If one of the candidates is an incumbent, the incumbent's name must be listed first and the word "Incumbent" must appear next to it (293.2565(2)).

When and Why a Candidate or Office May or May not Appear on a Ballot

Partisan Contests:

- **The office of U.S. President/Vice President** will not appear on Nevada's Primary Election Ballot. Nevada does not conduct Primary Elections to select U.S. Presidential candidates. Instead, major political parties make the selection, generally (but not always) by means of holding caucuses. (NRS 293.137)
- **If a major party has only one candidate for a partisan office**, the name of that candidate will not appear in the Primary Election, only in the General Election. (NRS 293.260)
- **If a major political party has two or more candidates for a partisan office**, the person who receives the highest number of votes in the Primary Election will go forward to the General Election ballot. (NRS 293.260(3)(a))
- **Minor party candidates and candidates with no political party** running for partisan offices will only appear in the General Election. (NRS 293.257)

Nonpartisan Contests (*Except Special District and General Improvement Contests*):

- **If not more than the number of candidates to be elected file for a nonpartisan office**, the names of those candidates will appear in the Primary Election. If a candidate receives at least one vote in the Primary Election, the candidate will be declared elected and that contest will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, District Court Judge, or Town Advisory Board Member.* (NRS 293.260(3)(b))
 - **Supreme Court, Court of Appeals, and District Court:** If only one candidate files for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge department, then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260(3)(a))
 - **Town Advisory Board:** If not more than the number of candidates to be elected file for Town Advisory Board member, the candidate(s) will be declared elected and the office will not appear in the Primary or General Election. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats. (NRS 269.576(7)(a) and 293.260(3)(c))

When and Why a Candidate or Office May or May not Appear on a Ballot (*Continued*)

Nonpartisan Contests (*Continued*):

- **If not more than twice the number of candidates to be elected file for a nonpartisan office** (but more than the number to be elected and up to but not exceeding twice the number of candidates to be elected), then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260(4))
- **If more than twice the number of candidates to be elected file for a nonpartisan office,** then that contest will appear in the Primary Election. The candidates who receive the most votes, not exceeding twice the number to be elected, will go forward to the General Election. However, if one candidate receives a majority of the votes in the Primary Election, then that candidate will be declared elected and the contest (in contests where you may vote for one candidate, which are most) OR the candidate (in contests where you may vote for multiple candidates, such as Town Advisory Boards and the Moapa TV Maintenance District) will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, or District Court Judge.* (NRS 293.260(5))
 - **Supreme Court, Court of Appeals, and District Court:** If three or more candidates file for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge Department, that contest will appear in the Primary Election. The top two candidates who receive the most votes will go forward to the General Election. However, if one of the candidates receives a majority of the votes in the Primary Election, then that candidate's name will be the only one to appear in the General Election. (NRS 293.260(5)(a))

Special District Contests (Moapa Valley Water District and Virgin Valley Water District):

- If a candidate is unopposed in seeking election for a Special District office, that candidate must be declared elected without a formal election. If there are fewer candidates than seats up for election in Special Districts, then, after the election, new members will be appointed to fill the vacant seats (Special Acts Chap. 100, §8(4); Special Acts Chap. 477, §7(4))
- Special District offices only appear in the General Election, but only if there are more candidates than seats up for election in the Special District. (Special Acts Chap. 100, §5(2); Special Acts Chap. 477, §5(1))

General Improvement District Contests (Moapa Valley TV Maintenance District and Overton Power District):

- If only one candidate files for an office, that candidate must be declared elected and no Primary or General Election will be held. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats (NRS 318.090(5), NRS 318.095(1); NRS 318.09523)
- General Improvement District offices may appear in the Primary or General Election and only when two or more candidates file for office. (NRS 318.095(2); NRS 318.09523)

ELECTION RESULTS

Unofficial Results on Election Night

After the polls close at 7:00 p.m. on Election Day, Vote Center officials bring the results to the central tabulation facility at the Clark County Election Center in North Las Vegas (see page 48). The Election Day results are tabulated along with the early voting and mail ballot results. Provisional ballots are not included in the unofficial results.

Where to Find Results

After all the polling places and Vote Centers in Nevada have closed, unofficial election night results will begin appearing on the Internet at <https://www.clarkcountynv.gov/vote>. The results will be periodically updated. Refresh your browser to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4.

Official, Final Election Results

The County Commissioners must “certify” the election results by the tenth working day after Election Day (NRS 293.387 and 293.393, as amended by Ab345 of the 2019 legislative session). The final results will include the provisional ballots that were actually counted.

EARLY VOTING

What Candidates Need to Know About Early Voting

Campaigning: The rules for early voting and Election Day are now the same. Allowable campaigning will depend on the type of property on which the early voting site is located:

- **Private Property:** If the voting site is located on PRIVATE PROPERTY (mall, supermarket, shopping center, etc.), electioneering is not allowed on the property without the owner's permission (NRS 293.3572(4)). **A list of sites that do and don't allow campaigning will be on the Election Department's website at <https://www.clarkcountynv.gov/vote>.**
- **Public Property:** If the voting site is located on PUBLIC PROPERTY, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

What Is Early Voting: Since 2000, more people in Clark County have voted before Election Day than on Election Day, primarily as a result of Clark County's Early Voting Program (mail/absentee ballots also account for a small percentage). In the 2018 elections, 96 early voting sites were distributed throughout the entire County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries, and community centers.

Who May Vote Early and Where: In Federal/State Elections, all voters registered in Clark County may vote before Election Day at any early voting site. Early voting sites are either "long-term," "neighborhood" (short-term), or "permanent."

- **Long-Term Sites:** At these sites, early voting is conducted at the same location for long durations, e.g., the entire 14 days of early voting or for an extended number of days. They are usually in high-traffic areas, such as major shopping malls and centers, the Clark County Government Center, or City Clerks' offices. These sites have 20 to 40 touch-screen voting machines.
- **Neighborhood Sites:** These are short-term sites, i.e., early voting is conducted at an individual location for one to a few days and then moves on. The sites are in smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.
- **Permanent Sites:** Each County and City will have at least one "permanent" early voting site. The days and hours of operation for permanent sites are specified in NRS 293.3568 (as amended by AB345 of the 2019 legislative session): The required days and hours are: (1) Monday-Friday, open for at least 8 hours, during times established by the county or city clerk; and (2) Saturday, open for at least 4 hours, during times established by the county or city clerk.

When Early Voting Occurs: It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day (NRS 293.3568):

- **May 23-June 5, 2020:** Early voting for the June 9 Federal/State Primary Election
- **October 17-30, 2020:** Early voting for the November 3 Federal/State General Election

What Candidates Need to Know About Early Voting (Continued)

Site Schedules: Hours and days for early voting vary by site. A few months before an election, the complete schedule with specific sites, dates, and hours will be available by various means:

- **Internet:** <https://www.clarkcountynv.gov/vote>
- **E-Mail:** elinfo@ClarkCountyNV.gov
- **Early Voting Schedule Brochures:** Available anywhere you find Voter Registration Applications, e.g., Department of Motor Vehicles, post offices, libraries, etc.
- **Sample Ballots:** The front section of your sample ballot contains an early voting schedule. Sample ballots are mailed before early voting begins.
- **Newspapers:** The schedule is published the week before early voting begins and at least once each week during early voting.

Turnout and Results: Daily early voting turnout (total voters at each site) will be available every night after 11:00 p.m. on the Internet at <https://www.clarkcountynv.gov/vote>. For a current election, you may also find the names of those who voted early and where they voted on the Election Department's website at https://www.clarkcountynv.gov/Depts/election/Pages/ev_turnoutdata.aspx. Tabulated results will be available on Election Day at <https://www.clarkcountynv.gov/vote> or on television cable Channel 4 after the Secretary of State has indicated all statewide voting has ended at all Vote Centers and polling places in Nevada after the polls close at 7:00 p.m.
